## FUNDRAISING DETAILS

- **What do the registration fees go toward?** The Parks Foundation of Hendricks County is a 501c3, nonprofit organization. The various parks departments in Hendricks County are government agencies. We raise money to support the parks departments so they can do extra projects that aren't paid for through tax dollars. This year the Summer Fun Run Series proceeds are paying for projects like a new habitat for Omni the Turtle at Pecar Park, new trail signage in Brownsburg and new outdoor seating at Avon Town Hall. Follow us on Facebook to see more on how the funds raised from Summer Fun Run series benefit parks in Hendricks County.
- **Do you require fundraising?** No. We do not require additional fundraising above the registration fee. We do encourage you to share information about registration or ask friends and family to donate in your name, but nothing is required.
